

Host Family Profile

Please complete this detailed description of your host family environment, your day to-day routine and planned activities as part of your full application.

Date:

Host Father's Full Name *

Host Mother's Full Name *

Country you are hosting from?

Host season you are participating in?

What is your typical morning routine? (Who wakes the children, do you have breakfast together, etc.)

What are the activities that typically fill your day? Do you juggle multiple activities? What does a typical day look like at your house?

What are your eating habits? What foods are served? Does your home require a special diet? Do you normally eat out? How often?

On weekends, what does your family typically like to do? What is your weekend routine?

What special events or activities will you introduce your host child too while here for hosting?

Do you attend church or synagogue? Will you expect your host child to attend with you?
If you do attend, how often and what activities are you involved in there?

Do you plan to have your host child be responsible for chores? If so, which ones?

If you have a behavioral problem, such as aggression or noncompliance, what plan do you have in place to address it?"
