### SCAN/EMAIL (PREFERRED) REFERENCE TO [PAPERWORK@P143.ORG](mailto:PAPERWORK@P143.ORG)

Our family is applying to be a host family for an international orphan. Project One Forty Three brings orphans from Latvia and Ukraine to the United States twice a year to experience life in a loving family. We would like to share our lives with a child this program; providing him/her an opportunity to learn more about our culture and to experience life outside an institution. We are confident this will be a wonderful life changing adventure for both our family and the child we host. One of the requirements for the program is host family references. Would you please be a reference for our family? Please download this form complete and email to the designated address for the country selected above.

***Four letters of reference per family are required to host. Only one letter can be submitted by a family member.***
